SENATOR MONNING ENDORSES JOHN LAIRD AS SUCCESSOR

SANTA CRUZ, CA - John Laird, candidate for California State Senate representing District 17, today announced the endorsement of Senator Bill Monning, who will be termed out in 2020.

“I’m proud to endorse John Laird to succeed me in representing the 17th District in the State Senate,” said Senator Monning. “I worked closely with John on local issues while he was Natural Resources Secretary, especially to address wildfire and water issues, as well as safe and appropriate access to Big Sur. Voters can be confident that John will need no on-the-job training on the most critical issues such as climate change, affordable housing, universal health care coverage, higher education, and support for working people.”
