### **FORMER GOVERNOR JERRY BROWN ENDORSES LAIRD FOR STATE SENATE**

SANTA CRUZ, CA – John Laird, candidate for California State Senate representing District 17, today announced former California Governor Jerry Brown has endorsed his candidacy.

“I once said my job as Governor was to get things done. John helped me get things done on forests, oceans and climate change,” said Brown. “I support his candidacy for the Senate so he can continue that work as a state legislator.”

“Serving as California Natural Resources Secretary, it was an honor to work with Governor Brown for over eight years on efforts to combat climate change and address a wide variety of statewide issues,” said Laird. “That experience helped inspire me to want continue that work in the legislature.”
