LAIRD ENDORSED FOR STATE SENATE BY CALIFORNIA NURSES ASSOCIATION

SACRAMENTO, CA – John Laird, candidate for California State Senate representing District 17, today announced he has been endorsed by the California Nurses Association/ National Nurses Organizing Committee (CNA/ NNOC), a professional organization that represents 100,000 nurses throughout the nation.

"We believe that John Laird will do an excellent job in representing the Central Coast on health and safety, labor, women's issues, the environment, supporting single payer healthcare and ensuring that RN scope of practice is upheld to ensure that patients continue to receive safe, therapeutic, high-quality care, all of which are important issues to Registered Nurses," said Malinda Markowitz, RN Co-President of CNA/NNOC. "We look forward to working with Mr. Laird on these issues of mutual concern when he is in the State Senate."
