## **SENATOR FEINSTEIN ENDORSES JOHN LAIRD FOR STATE SENATE**

SANTA CRUZ, CA – John Laird, candidate for California State Senate representing District 17, today announced U.S. Senator Dianne Feinstein (D-California) has endorsed him.

“In the eight years that John Laird was Secretary for Natural Resources for Governor Jerry Brown, he and I worked on wildfire, climate change and the health of Lake Tahoe,” said Senator Feinstein. “He was an experienced, able partner and I am pleased to endorse him for the California State Senate so that he can continue that work at the state level.”

“It is a great honor to receive Senator Feinstein’s support,” said Laird. “I’m especially proud of our work together on climate change issues, including increasing resources to fight wildfires in California and focusing on water quality for Lake Tahoe.”
