LAIRD ENDORSED BY CALIFORNIA ASSOCIATION OF PSYCHIATRIC TECHNICIANS

SAN LUIS OBISPO, CA – John Laird today announced the California Association of Psychiatric Technicians (CAPT) has endorsed his candidacy to represent District 17 in the California State Senate. CAPT is the professional association for approximately 14,000 state-licensed psychiatric technicians, including 820 positions in San Luis Obispo County, who work in California programs serving people with mental illnesses and developmental disabilities.

“John Laird’s work in the Assembly for the rights of working men and women made him a champion to rank-and-file union members in California,” said Eric Soto, CAPT state president. “John has an impressive depth of knowledge on nearly every aspect of state government, including prisons, state hospitals, and developmental centers where our members work. CAPT appreciates John’s thoughtful approach to finding solutions and his history of being a problem solver. There is certainly no candidate who comes close to having John’s credentials to be State Senator for the 17th District. It is for these reasons that it is an honor to pledge our support to his campaign.”
