CALIFORNIA TEACHERS ASSOCIATION AND CALIFORNIA SCHOOL EMPLOYEES ASSOCIATION ENDORSE LAIRD FOR STATE SENATE

SACRAMENTO, CA – John Laird, candidate for California State Senate representing District 17, today announced he has been endorsed by the California School Employees Association (CSEA) and California Teachers Association (CTA). CSEA represents approximately 250,000 classified employees in California’s public school and community college systems. CTA is California’s largest professional employee organization, representing more than 310,000 public school teachers, counselors, psychologists, librarians, other non-supervisory certificated personnel, and Education Support Professionals.

“The son of teachers, John Laird has demonstrated a deep understanding of the importance of free, universal and quality public education,” said CTA President E. Toby Boyd. “We look forward to working with him in the State Senate to ensure California’s students have the tools and resources they need to succeed.”

“John Laird has been an advocate for California public education and the school employees who keep our schools functioning to serve California students,” said CSEA President Ben Valdepeña. “We need John Laird in the California Senate to support working people and to ensure our schools have the resources they need to provide high-quality education for every California child.”
